

OranzaTM

Sodium Bicarbonate 2.32 gm
Anhydrous Citric Acid 2.18 gm
& Anhydrous Sodium Carbonate 0.50 gm

Presentation:

Oranza Powder for Solution: Each sachet contains Sodium Bicarbonate BP 2.32 gm, Anhydrous Citric Acid BP 2.18 gm and Anhydrous Sodium Carbonate BP 0.50 gm

Description:

Oranza can quickly relieve of heartburn and acid indigestion and also provides refreshing temporary relief for stomach upsets.

Indication:

For symptomatic relief of indigestion, flatulence and nausea.

Dosage and Administration:

For oral administration.

5 gm or one sachet dissolved in a glass of water. Drink as symptoms occur. A second dose may be taken after 2-3 hours.

Minimum dosing interval: 2 hours.

Maximum daily dose (MDD): 2 sachets

Maximum duration of use is 14 days, unless advised by a physician.

Contraindication:

Persons on a restricted sodium diet e.g. those suffering from hypertension or congestive heart failure, should not use this product unless directed by a doctor.

Contraindicated in patients with a prior hypersensitivity reaction to Sodium Carbonate, Sodium Bicarbonate, Citric Acid or any other ingredient of the preparation.

Precautions:

Do not exceed the recommended dose as excess or prolonged use may lead to alkalosis.

Treatment should be discontinued if there is no improvement in condition and medical advice should be sought. Persistent heartburn may be an early indicator of a more serious underlying condition.

Keep out of reach and sight of children.

Drug Interactions:

The acid neutralizing capacity of the product may alter the absorption profile of pH specific drugs given concomitantly.

Use in Pregnancy & Lactation:

For Oranza no clinical data on exposed pregnancies are available.

Animal studies on each of the active ingredients do not indicate direct or indirect harmful effects with respect to pregnancy, embryonal/foetal development, parturition, or postnatal development.

Overdose:

Acute ingestion of the neat powder may lead to gastric irritation, gas liberation and possibly stomach perforation.

Storage:

Do not store above 30⁰ C. Keep away from light and out of the reach of children.

Commercial Pack:

Oranza Powder for Solution: Each box contains 10 Sachets.
